Q How will my offering be made?

A Our parish bookkeeper will inform your financial institution of the amount pledged and they will automatically transfer that amount from your account to the church's account on the date(s) you select.

Q But what if I don't bank where the church has its bank account?

A It doesn't matter where you bank, be it a credit union, bank or savings & loan. Your offering can be transferred from any financial institution in the U.S.A. to our parish checking account.

Q How can I be sure my offering has been transferred properly?

A The account statement from your financial institution will note your offering.

Q Can I change my participation in the Automatic Offering Plan at any time?

A Yes, simply call or write the parish office.

Q Is there a charge for this service?

A No. The Automatic Offering Plan is offered by the church and Bank One, therefore, there will not be an additional charge for this service.

Q What should I do if I change banks or discontinue my checking account?

A You will need to complete a new authorization form. They are always available at the parish office or gathering space of the church.

Save time.

With the Automatic Offering Plan, you don't need to spend time writing checks or filling out offering envelopes. Actually, it doesn't take any time at all!

Save money and provide church security.

You'll save on check printing costs and your bank service fees. Plus, the church can better budget its finances when they can rely on a stable, regular income base. Your offering will be made on a consistent basis, even when you're away from home on business or vacation.

How it works.

You designate how often you want to contribute and the amount you select for your offering will be transferred automatically from your checking/draft account to the church's account. Each offering amount will be noted on your bank account statement.

Sign up today, it's easy and gives our church the support it needs.

Just complete the attached authorization form. Return it through the mail with a **voided** check or draft, in the enclosed envelope, or drop it in the collection basket. (Please make and keep a copy for your records.)
